Business Objects 4.1 Upgrade

CAPPS HR/Payroll User Group Meeting

November 28, 2017

Business Objects 4.1 Upgrade

- Business Objects is integrated into CAPPS Security.
  - Use your CAPPS UAT User ID and Password.
- CAPPS security roles (assigned based on your current Business Objects access) drives your universe and adhoc/run-only access.
- Agency and Department-level (for HR) security is inferred from the user's CAPPS security.
- New look and feel. HTML client replaces JAVA.
- Public reports are converted. The Business Objects team will assist with converting private reports.
- The link to Business Objects 4.1 online training is available on the CAPPS FMX page.

Business Objects 4.1 Upgrade Timeline

- HR agency testing was completed on November 23, 2017.
- HR Production Deployment: December 1, 2017.
  - Decommission 3.1 (HR): March 1, 2018
- An email to the agency Level 1 Help Staff includes additional details on accessing BO in Production, security roles and training.
- PeopleTools/Image upgrade UAT will include Business Objects 4.1 testing (May – June, 2018).

Thank you!
