SR #	Requesting Agency	Product	Impacts All Agencies	Module	Priority	Short Description	Long Description	Status; *=Updates
1052	CAPPS	Talent Management	Y	Interfaces, Recruiting	Low	Candidates with No Email Address on Candidate File	We need to update the way candidates with no email address on the CAPPS HR/Payroll side are handled in the Candidate file to CAPPS Recruiting. Currently an email address is defaulting incorrectly, and the candidate is failing due to the email address being stored in the database previously. The candidates with no email addresses need to fail due to no email address (since email address is required). The candidates can be picked up as a net change once an email address is indicated on the CAPPS HR/Payroll side.	In Work
1544	CAPPS	Talent Management	Y	Interfaces, Recruiting	Low	Recruiting Interface- issue with future date term	When a future dated termination is entered in CAPPS HR, the user interface tried to inactivate the termed employee before the effective date.	In Work
