SR #	Requesting Agency	Product	Impacts All Agencies	Module	Priority	Level of Effort	Short Description	Long Description	Synopsis of Request (Requirements)	Proposed Solution (How it would work/Customization Overview)	CAPPS Support Team Vote Recommendation
929	DMV	CAPPS HR/Payroll	Yes	Reports	Medium	Low	Exclude denied time in TX_TL_AGY_CWR_REPORTED_TIME	Currently the query TX_TL_AGY_CWR_REPORTED_TIME includes denied time, please exclude it from the query. While at it, add fields Reported time status and comment field. Note: previously SR 221.	The Agency wants to remove all denied time from the TX_TL_AGY_CWR_REPORTED_TIME query and add the REPORTED_STATUS field. They are also requesting a comment field be added to the query.	Remove time that has been denied and add REPORTED_STATUS, as well as a comment field.	Reject - The information being removed may be important to other agencies.
931	DMV	CAPPS Reporting Team	Yes	Reports	High	Medium	Employee Expiring Time for Agency Discrepancy	The data in the Query TX_TL_AGY_EXP_COMP_BAL_BY_AGY differs from the information reported in View Leave Balance/Expirations page (See attached sample) Previously SR 223.	The TX_TL_AGY_EXP_COMP_BAL_BY_AGY query shows all expiring comp time, even if the employee has used that comp time. Agency is asking that the query show expiration dates for comp times the employee has not yet used.	Remove comp time with a balance of 0 from the query.	Approve
1111	OCA/SPA	CAPPS HR/Payroll	Yes	Reports	High	High	State Matching Contributions Reports by Year	Agency would like the current State Matching Contribution Report to include the Appropriations Year (AY) column. The TX_PYRL_DTL should include earn and pay dates, as well as the AY and FY for each. Additionally, they would like a new report for YTD contribution totals with the option to run by either FY or AY. The current report only has the option to run by payroll document number.	The Agency would like to add the EARNNS_END_DT field to the State Matching Contribution Report to show when an amount was appropriated versus when it was paid. Additionally, they are requesting a new report in the same format as the State Matching Contribution Report with a Run Control option of FY or AY. Adding the Run Control option for FY or AY cannot be simply added to the current report.	Add the AY to the current State Matching Contribution Report. Create a new report that provides year-to-date totals with the option to run by either FY or AY.	Approve
1568	7THCOA	CAPPS HR/Payroll	Yes	Reports	High	Medium	Employee Monthly Time and Leave Report	How do we add a column to this report? We need a column that pulls in the Admin Leave balances to be visible on this report.	Currently, only the individual Employee Time and Leave Report includes the Admin Leave column. User requests to have the column added to the Super User Employee T&L Rpt.	Add the Admin Leave column to the Super User Employee T&L Rpt.	Approve
1842	CPA	CAPPS HR/Payroll	Yes	TL	High	Low	Add field to query TX_TL_NA_ACTIVE_EMPL	CPA would like to have public query TX_TL_NA_ACTIVE_EMPL updated to include the Dept ID field.	Agency is requesting the TX_TL_NA_ACTIVE_EMPL query be updated to include the DEPTID field.	Add DEPTID as a field.	Approve
2235	DMV	CAPPS HR/Payroll	Yes	TL	High	Low	Add Empl Name/Wrkgrp type TX_TL_REPORTED_TIME_ALL	To expedite report and for monitoring purposes, please add Employee Name and Workgroup type to: TX TL REPORTED TIME ALL	Agency is requesting the TX_TL_REPORTED_TIME_ALL query be updated to include the employee's name and workgroup.	Update the TX_TL_REPORTED_TIME_ALL query to include the employee's name and workgroup.	Approve
2705	DPS	CAPPS HR/Payroll	Yes	Reports	High	Low	MGR level in the Active Employee Listing report	Please advise what the MGR level in the TX_HR_AGY_ACTV_EMPL, Active Employee Listing report, represents. Everyone in our agency is returning as an "8". What does "8" represent and are there any other values? If so, what are they and what do they translate to?	Agency inquired as to what the MGR level field in the TX_HR_AGY_ACTV_EMPL query represented. Given that the MGR level field is not leveraged it CAPPS the request is to remove it from the query.	Remove the field as it is USPS data and not used in CAPPS.	Approve
2741	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Low	Enhancement to TX_HR_AGY_EMAIL_ERRORS report	Please add the RUNDTTM field from the TX_EMAIL_ERRORS table to the TX_HR_AGY_EMAIL_ERRORS report. The data in this report is cumulative and you cannot pinpoint the date of the error without this field	Agency needs RUNDTTM field added to TX_HR_AGY_EMAIL_ERRORS to identify who made error.	Add field to query.	Approve
3076	DMV	CAPPS HR/Payroll	Yes	Reports	Medium	Low	Merit queries not displaying inactive employees	Enhance the current merit queries to include both active and inactive employees.	The current TX_HR_AGY_REG_MERITS and TX_HR_AGY_ONE_TIME_MERIT queries do not include data on inactive employees. Agency requests Inactive Employees be added to the queries.	Add inactive employees to the queries.	Approve
3277	CPA	CAPPS HR/Payroll	Yes	Reports	Medium	Medium	New query for retirement projections	Create a new query to show all potential retireess based on an 'as of' date.	Provide a way for users to view list of only those employees who will retire by an 'as of' date for all retirement types.	Users enter an 'as of' date to see who can retire by retirement-type plan.	Approve

SR #	Requesting Agency	Product	Impacts All Agencies	Module	Priority	Level of Effort	Short Description	Long Description	Synopsis of Request (Requirements)	Proposed Solution (How it would work/Customization Overview)	CAPPS Support Team Vote Recommendation
3382	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Medium	Add items to TX_HR_AGY_ACTV_EMPL query	We would like to request the following items added to the TX_HR_AGY_ACTV_EMPL query. The first set of items to provide additional items and the second set to add hazardous duty related items, which will assist current and future agencies who have commissioned employees	Add fields to TX_HR_AGY_ACTV_EMPL query to include fields used by law enforcement employees (haz duty, badge type, etc...).	Add five additional fields to query.	Approve
3383	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Medium	Add items to the TX_HR_AGY_NEW_HIRES_TRNSFRS query	We would like Hazardous duty related items to be added to the New Hire and Transfers Report. This will also be beneficial for current and future agencies who have commissioned employees. As well as the retiree indicator.	Add fields to New Hire and Transfers query to include fields used by law enforcement employees (haz duty, badge type, etc.).	Add additional fields to query.	Approve
3384	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Medium	Add items to TX_HR_AGY_TERMS query	We would like to request the following items added to the TX_HR_AGY_TERMS query. The first set of items to provide additional items and the second set to add hazardous duty related items, which will assist current and future agencies who have commissioned employees.	Add fields to TX_HR_AGY_TERMS query to include fields used by law enforcement employees (haz duty, badge type, etc...).	Add additional fields to query.	Approve
3388	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Low	Add items to TX_TL_NA_NEW_SUPERVISOR query	We would like to request the following items added to the TX_TL_NA_NEW_SUPERVISOR query to assist with distribution to customers. Pleae add the employee's most current Dept. # and Description to this query.	Add Dept # and Description to the TX_TL_NA_NEW_SUPERVISOR query to making sorting and distribution easier.	Add additional fields to query.	Approve
3392	DPS	CAPPS HR/Payroll	Yes	Reports	Medium	Low	Add additional items to TX_TL_NA_ACTIVE_EMPL query	Please add department ID number and department description to the TX_TL_NA_ACTIVE_EMPL query to better assist with working this report.	Add Department ID and Department Description fields to the TX_TL_NA_ACTIVE_EMPL query to make sorting and distribution easier.	Add additional fields to query.	Approve
