6932	DPS	CAPPS HR/Payroll	Yes	HR/Payroll	Low	Low	Change Firearms section sort order.	Agency wants to change the Firearms section sort order on the Certified Peace Officer tab of the CAPPS Employee Profile component to be first sort by the "qualified date" (newest to oldest) first, and then sort by the "firearm type" (smallest number to largest number).	Modify the sort order for how information is displayed in the Firearms section on the Certified Peace Officer tab in the CAPPS Employee Profile component.	Currently, the Firearms section on the Certified Peace Officer tab of the CAPPS Employee Profile component sorts first by "firearm type" (smallest to largest) and then "qualified date" (oldest to newest). Changing this sort order to first sort by "qualified date" (newest to oldest), and then sorting by the "firearm type" (smallest to largest) allows the most recent qualifications, regardless of the "firearm" type, to be listed at the top.
